Warranty

## Important Notes

- If a claim is made, payment of the unpaid premium will be required before the claim is paid to the repairer.
- At the underwriter's discretion, transfer of the policy to a new owner may be accepted provided the premium has been paid in full and no claims lodged. (Please refer to policy booklet).
- A mechanical inspection must be carried out within 14 days of the policy being sold, otherwise the policy will be invalid and any claims will be declined.
- Acceptance of the policy is at the sole discretion of the underwriter.
- All premiums are paid in advance and are non-refundable once the policy is 30 days old.
