# Defensive Driving for Fleets and Businesses

## KNOWLEDGE, AWARENESS, RESPONSIBILITY

The most effective way to stay safe on the road is to adopt a defensive driving style, ensuring that drivers are fully aware of their surroundings, the road rules and safe driving behaviours.

Our Defensive Driving for Fleets and Businesses course will inform and update knowledge through group discussion and facilitation around the key risks business drivers face.

### What's included?

This group session is 2.5 hours and is held at your place of business.

Our Defensive Driving for Fleets and Businesses course covers the following:

- Risk management
- Searching and scanning techniques
- Identification and response to hazards
- Vehicle handling and coping strategies
- Economical driving techniques
- Law changes
- Updated driving procedures
- H&S responsibilities relating to driving

It also facilitates discussion around managing attitudes and behaviours that increase driving risk, such as:

- Fatigue, stress and emotion
- Road rage incident
- The relationship between alcohol/drugs and driving

### It's suitable for:

- ✓ Refresher training and new ideas for anyone who drives as part of their job either in their own vehicle or in a company vehicle.
- ✓ Busy people: We understand that most people who drive as part of their job are extremely busy and it can be difficult take time out of their day for training. For this reason we move quickly through the topics and give maximum information in a condensed timeframe.

### Benefits for your Business:

We have been providing our Defensive Driving courses to most of New Zealand's best known businesses for many years and we're confident that providing this session for business drivers has some fantastic benefits:

- Fulfilment of your 'Duty of Care' obligations
