

AA Smartfuel Offer terms and conditions

AA Life is pleased to announce that we've introduced AA Smartfuel savings for new policyholders. As an AA Member or AA Smartfuel cardholder, you'll be able to save 20 cents per litre (maximum 50 litres) once a month for 12 months when you take out a new Life Cover, Living Expenses Cover or Funeral Cover policy with AA Life. Please note that your discount will be applied to your account within one month after you have paid your first months premiums.

To take advantage of the offer you will need to register your AA Membership number or AA Smartfuel Card with us when you take out your new policy. If you're not currently an AA Member or do not have an AA Smartfuel Card you can get a free AA Smartfuel Card from us or from participating AA Smartfuel retailers including BP, Caltex and AA Centres (you must register your new AA Smartfuel Card online before you can redeem discounts).

- The offer is not applicable to existing policies.
- The offer is not transferrable and cannot be exchanged for cash. The offer is not available in conjunction with any other offer. The offer is for 20 cents per litre (maximum 50 litres) fuel discount through the AA Smartfuel programme once a month for 12 months.
- The fuel discount will only be available for 12 months if your Policy is current and premiums are paid in full on time for each full month, otherwise the fuel discount will lapse for the remainder of the period. - If you are using additional cards, only the Primary AA Smartfuel account holder is eligible for the fuel discount (additional cardholders may not redeem the discount).

As per standard AA Smartfuel programme terms discounts expire at the end of the calendar month following the month in which credited, e.g. a fuel discount dated 1 through 31 December will expire on 31 January.
- AA Smartfuel discounts are redeemable on up to a maximum 50 litres on a single purchase of qualifying fuel product at participating BP and Caltex locations and cannot be redeemed in conjunction with any other discount or fuel card.
- After redemption of the fuel discount your AA Smartfuel account balance is reset to zero and no discount is carried forward.
