

2017 MAZDA 3

Reg: XXXXXX

This appraisal has been prepared by the New Zealand Automobile Association acting as a technical consultant for the Motor Vehicle Dealer named below and not for any prospective purchaser of the vehicle and as such is performed "In Trade" under the Consumers Guarantees Act. The Appraisal to which this report refers is external and visual only and of necessity does not include defects or conditions of internal mechanisms that may be discovered by subsequent dismantling. The report applies to the condition of the vehicle at the time of appraisal.

Purchasers could obtain greater protection from a full AA Vehicle Inspection
