Fuel partner change - effective 1 August 2019

Today we have announced that AA Smartfuel has ended its partnership with Caltex, effective 1 August 2019, due to competitive commercial reasons.

But the great news is that by the end of July we will announce our new fuel partners who combined with BP will provide more than 300 sites nationwide.

AA Smartfuel continues to grow strongly with New Zealanders earning a record \$132 million in fuel discounts last year.

AA Smartfuel is the only rewards programme that enables New Zealanders to accumulate the biggest fuel discounts simply by shopping with some of NZ's leading brands, including BP, Countdown, Contact Energy and most recently ASB Credit Cards.

In the meantime you can continue to earn and redeem AA Smartfuel discounts at Caltex up to and including 31 July 2019.
