Smoking Status Declaration

I wish to apply to change from smoker to non-smoker status on my policy and declare that:

- I have not used e-cigarettes or vaporisers, used or smoked any product containing tobacco, or used nicotine replacements in the last 12 months.
- I understand that if I provide any information in this request to change my smoking status that is substantially incorrect and material, then Asteron Life may not accept my request; or any update of my smoking status may be voided. This will mean that any premium reduction will be reversed, and I will have to pay Asteron Life the premium reduction back to the date of the update, or Asteron Life will adjust the sum assured accordingly, at claim time.
