Is this right for me? <u>What's included</u>	I have a high number of moles, previous sun damage or a family/personal history of skin cancer. I want a baseline of images to track and monitor changes in my skin over time.	I have a small number of moles, but I want the peace of mind that my skin is healthy. Plus, I want a full body record of my skin to use at my next professional or DIY skin check.	I have a small number of moles, but I want to quickly check out a new or suspicious spot. Plus, I'd like the reassurance of a dermatologist diagnosis.
