Research Funding Application

We suggest your funding application includes the following information, but you are welcome to submit other information too and in a format that suits you.

1. Cover Information

Applicant Name
Affiliation/Organisation
Contact Information
Date of Application

2. Working Title

Provide a concise and descriptive title for your proposed research.

3. Proposed Research Question

What is the central question your research aims to answer?

4. Why This Question, and Why Now?

Explain the relevance and timeliness of this research question.

5. Summary of Proposed Methods

Describe the methodology, data sources, tools, and analysis techniques you plan to use.

6. Proposed Outputs

Describe the expected deliverables (e.g., full report, one-pager, fact sheet, presentation).

7. Proposed Budget

Outline the estimated budget and major expenses.

## 8.	Proposed Timeframes and Milestones

Provide a timeline with key milestones for your research project.

## 9.	Opportunities for Behaviour Change

Describe how your research could influence behavior or policy.

## 10.	Any Other Relevant Information

Include any additional details that support your application.

Please send your application to:
