Reading and understanding your policy

Accidental Death insurance covers you for death as a result of an **accident**. This policy wording contains important information about the policy. It explains what benefits will be paid, what you're not covered for and how to make a claim.

Please carefully read this policy wording and the separate **policy summary** that goes with it.

We have used the headings in this policy wording to help guide you. These headings are purely descriptive in nature. You should not rely on headings to interpret the policy.

Once you've read and understood this policy wordings and your **policy summary**, please keep them in a safe place. You'll need them to make a claim.

This policy has no cash value, so we won't pay any money if you decide to cancel the policy.

AA Life policies are provided and underwritten by Asteron Life Limited.

Who we will pay benefits to

If you named a beneficiary to this policy we will make all benefit payments to the beneficiary regardless of who the policy owners are. You can name more than one beneficiary.

Information you provide must be correct

Your policy with us relies on the accuracy of the information supplied by you, or any person on your behalf. You must provide full and accurate information. You must also answer all questions we ask you honestly, correctly and completely.

If we find that your date of birth is wrong on the [policy summary](#), we can adjust the benefits provided under the policy to reflect your correct age and actual premiums paid. Alternatively, if you've overstated your age we may, at our discretion, repay any overpayments of premium.

Premium information

The premium amount is set out in your [policy summary](#) and you must pay in New Zealand dollars by a payment method we approve.

We can increase the premium amount for your policy only if, at the same time, we apply the same increase to every other Accidental Death policy we issued under the same offer made to you.

We will give you 28 days written notice of any change to your premium amount, posted to your last known address, or emailed to the email address you supplied. We consider you have received this notice on the 7th day after we send it.

You need to pay premiums until the policy ends.
