Carnet de Passages en Douane (CPD Carnet) Information & Application Form

Carnet de Passages en Douane (CPD Carnet)

The word *Carnet* comes from the French meaning 'notebook'. It is a passport for your car/ motorcycle and comprises a book of vouchers.

A CPD Carnet allows visitors to temporarily import vehicles for a limited period of time, for tourist purposes only, with a minimum of formality and without the need to make a cash deposit at the frontier in local currency, equivalent to Customs duty and other excise taxes.

A CPD Carnet is essential for the temporary importation of vehicles into many countries, but not all countries accept or recognised the Carnet.

A CPD Carnet is valid for 12 months and starts from the date of issue. It is possible to extend your Carnet for a maximum of 12 months with 3 months being the norm, this must be applied for prior to expiry. Conditions apply.

Your car must remain registered in New Zealand for the full period the CPD Carnet is in use. If not your CPD Carnet is invalid.

Each page of the CPD Carnet is divided into three sections.

1. The first or lower voucher comprises the entry voucher which is removed by Customs at the point of arrival.
2. The second or middle voucher is the exit voucher and is retained by Customs at the exit frontier.
3. The third or upper voucher, at the spine of the document, is the counterfoil, which remains with the Carnet and is stamped both on entry and exit by Customs.

The CPD Carnet holder has the responsibility of making sure the CPD Carnet is stamped upon entry and exit of every country. This is required to discharge the liability for that country's import charges. If your vehicle does not exit that country within the CPD Carnet validity timeframe, import duties will be payable.
